

## The Origins of October

Did you know that October actually means "eighth month". The name comes from the Latin word "octo" meaning eight. In the original Roman calendar, October was indeed the eighth month of the year, which began in March.

When Julius Caesar reformed the calendar and added January and February, October became the tenth month, but kept its original name. So while we know October as the tenth month, it still carries the name of its original position as the eighth!

## BESTUUR

### Beste inwoners,

Namens die Bestuurskomitee wil ons weereens **Pieter Erasmus** bedank vir sy bydrae as BK-lid tot die portefeulje Finansies. Ons verwelkom **Johan Coertze** as sy opvolger en bedank hom vir sy bereidwilligheid om sy ervaring met ons te deel. Ons bestuursagent, **Status-Mark**, het intussen nuwe personeel toegewys vir die Finansies portefeulje (**me. Renzke Moore**) en Administratief (**me. Erna Andrews**). Ook aan hulle baie welkom in ons midde.

Alhoewel bouaktiwiteite 'n afplatting toon wil ons as Bestuurskomitee poog om die **bemarking van ons landgoed** te verbeter. Hierby ingeslote sal wees die opdatering van die **webwerf** en die herinstelling van 'n **verwelkomingsbrief** met 'n bondige samevatting van toepaslike inligting betreffende die landgoed. Die proses om nuwe eienaars, huurders en kontrakteurs op die **gesigsherkenning sisteem** te registreer, sal voortaan volledig vanuit die Landgoedbestuurder se kantoor hanteer word.

Daar het die afgelope tyd by verskeie kere ernstige **verstoppings van rioollyne** by 'n spesifieke area in die Landgoed plaasgevind. Die Landgoedbestuurder het 'n nota in hierdie verband uitgestuur. Dit wil voorkom of die probleem ontstaan by nuwe huurders wat nie bewus is van waarvoor rioolsisteme ontwerp is en waarvoor nie. Daar word weereens 'n beroep op eienaars gedoen om huurders in hierdie verband in te lig. **U samewerking word hoog op prys gestel.**

Vriendelike groete  
**Marius de Wet**  
**Monte Christo BK**

## INFRASTRUCTURE IMPROVEMENTS

Progress with the capital items for which approval was obtained during the recent AGM is as follows:

- Awaiting a further quotation for the installation of **two additional security cameras** along the eastern boundary of Monte Christo.
- The project for **shielding sunlight**, which affected the functioning of the facial recognition system cameras, has been completed.
- Quotations for the provision of civil services, including the installation of **additional speed humps**, the **widening of the parking area** at the main gate walkway near water dam, and the installation of **road paint markings and lines**, are awaited. The **yellow circle** has meanwhile been repainted and provided with new reflectors. As part of the expansion of speed humps in **Blue Crane Way**, it was decided to install a clear **pedestrian crossing** near the main gate. This should improve pedestrian safety there.
- The installation of a **wall section along the western boundary** of the Estate, to prevent possible water damage, has been completed. In the past, there was damage that resulted from leakage at the greywater line connection in Outeniquasbosch.

## LANDGOEDSAKE

### Ontwikkelings aan die Suidelike Grens

Inwoners langs die suidelike grens van Monte Christo wonder moontlik oor die vordering met die verwydering van die afgekapte bosse om 'n **brandstrook** langs die bestaande omheining te installeer. Ongelukkig moet die Mosselbaai Munisipaliteit terugkeer na die verkryging van 'n verdere **hofbevel** teen die eienaar vir die nie-uitvoering van die werk soos versoek - soortgelyk aan die vorige een vir die verwydering van die bosse. Hopelik sal hierdie saak te geleenertyd gefinaliseer word.

'n Nuwe voorstel aangaande die **New Vintage ontwikkeling** is aan die Provinsiale Owerhede voorgelê vir oorweging. Dit behels 'n hoër besettingskoers vir die ontwikkeling in vergelyking met die oorspronklike voorstel. Hierdie nuutste voorstel is deur die owerhede **verwerp** wat die uitkoms van die voorgestelde ontwikkeling kan vertraag.

Die kapasiteit van die **rioollyn op die suidelike grens**, wat in die verlede probleme met verstoppings aangedui het, sal deur die Mosselbaai Munisipaliteit gedurende **2026** ondersoek word as deel van hul begrotingskapitaalprogram.

### Munisipale Nuus

#### Kragtige Vordering: Hartenbos WWBW Sonkrag PV Aanleg Getoets

Die Mosselbaai Munisipaliteit is trots om 'n groot mylpaal in volhoubare infrastruktuur aan te kondig: die **Son-PV aanleg** by die Hartenbos Streeks Afvalwater Behandelingswerke het funksionele en beheertoetse suksesvol voltooi. Vandag funksioneer die sisteem op outomaties - wat die oorgang na volle operasionele status aandui.

**MUNISIPALE NUUS** - <https://tinyurl.com/n9ukytptn>

## LANDGOEDSAKE

Hierdie hernubare energie-installasie vorm deel van die Munisipaliteit se breër verbintenis tot omgewingsbestuur, energie-doeltreffendheid en koste-effektiewe dienslewering. Deur sonkrag te benut, verminder die Hartenbos WWBW sy afhanklikheid van konvensionele elektrisiteit, verlaag sy koolstofvoetspoor en versterk veerkragtigheid teen energie-onderbrekings. Die prestasie weerspieël Mosselbaai se vooruitdenkende benadering tot infrastruktuur en sy toewyding aan die bou van 'n groener, slimmer toekoms.

### Die Krag van Goeie Buurskap

Monte Christo is meer as net 'n woongebied – dit is 'n gemeenskap waar ons almal saam 'n tuiste skep. Goeie buurskap vorm die hart van ons vredeliewende saambestaan en maak ons landgoed 'n aangename plek om te woon.

Ons moedig alle inwoners aan om aktief betrokke te raak by mekaar se lewens. 'n Vriendelike groet, 'n kort geselsie oor die heining, of hulp met 'n karweitjie kan wonderlike vriendskapsverbande skep. Wanneer ons mekaar ken, verstaan ons mekaar beter en kan ons saam oplossings vind vir klein probleempies voordat dit groot word.

As jou buurman se hond 'n bietjie te veel blaf, of sy musiek 'n tikkie te hard speel, het jy die vrymoedigheid om eers vriendelik met hom te gaan praat voordat jy 'n formele klagte indien. Baie keer weet mense nie eens dat hulle 'n probleem veroorsaak nie, en 'n hoflike gesprek los dikwels die saak onmiddellik op.

Onthou dat ons almal verskillend is, met verskillende lewenstyle en behoeftes. Deur begrip, geduld en wedersydse respek te toon, kan ons 'n harmoniese' omgewing skep waar almal gelukkig en veilig voel.

**Saam is ons sterker** – maak Monte Christo 'n plek waar bure vriende word en waar elkeen met trots kan sê: "Hier is ek tuis."

## SAYING GOOD-BYE

A farewell function was recently held for **Ivan and Judy Zimblar** at their home in Tortelduif Slot. In spite of their home being named '**Moeg Getrek**', they decided to scale down after staying in Monte Christo for eight years. They relocated to a smaller unit in town.

Neighbours and friends came together for the function. A long-time neighbour, **A.P. Strauss**, delivered a speech praising the attributes of a loving and respected couple. We thank them for the friendly and helpful way in which they added value. **May your new environment bring joy and happiness.**

- 500ml milk
- 125ml sugar
- 30ml butter
- 15ml cornflour
- 5ml vanilla
- Cinnamon for sprinkling

### Method

1. Pre-bake pastry at **180°C for 10 minutes**
2. Beat eggs and sugar until light
3. Cook milk, butter and cornflour until thick
4. Add egg mixture and stir until smooth
5. Add vanilla and pour into pastry case
6. Bake **25-30** minutes until set
7. Cool and sprinkle cinnamon on top

**Perfect for spring picnics on the estate!**

### OPTIONAL

**Dairy-free milk tart:** My mom has made a dairy-free version many times with success. She uses oat milk instead of dairy milk and plant-based butter. (Be sure to use plant-based butter that comes in a block, not the spread in a tub, which contains too much water.)

## PASOP!!

**As daar enige slange of bye in u erf is en julle wil dit verwyder, skakel asseblief vir die sekuriteit en hulle sal die relevante persone kry om dit te kom verwyder.**

Daar word net 'n beroep gedoen dat inwoners asseblief net waaksaam moet wees, want dit is nou weer tyd dat **slange gaan begin volop raak**, na hulle winterslaap. Veral slange soos **pofadders** en **Kaapse kobras (geelslang)**. Die **brandweer kan geskakel word by die volgende nommer (044)691 3722**. Of die **sekuriteit kan geskakel word by (044)050 0260** indien slange verwyder moet word.

Please take note that residents must be careful, because it's time again for snakes to wake up after their winter sleep. The most common snakes to be aware of are the **Puffadder and the Cape Cobra (yellow snake)**. The **fire department can be contacted on (044)691 3722**. Or alternatively you can phone **Security at (044)050 0260** to have them removed.

Die slang in die foto was gevind in **kaneelduif Slot** op **Vrydag 12 September 2025**.

### Monte Christo's Natural Environment

Spring brings new life to our estate. The indigenous fynbos begins to bloom again, and birdlife becomes active. Look out for the beautiful **Sunbirds** feeding at the **Proteas**, and **Honeybirds** at the blooming **Aloes**.

**Snake Awareness:** As mentioned, this is the time when snakes become active. They play an important role in the ecosystem by controlling rodent populations. Respect their space and contact professional help for removal.  
Garden Tip for October

Start planting **water-wise indigenous plants** for summer. Consider **Carpobrotus (vygie)**, **Gazania**, and **Osteospermum**, which require minimal water but provide beautiful colour.
